

Sinclair Broadcasting stations use the public airwaves free of charge, and are obligated by law to serve the public interest. The airing of the documentary 'Stolen Honor' is a political statement in direct support of the re-election of George W. Bush. Without an opposing statement of the same nature on behalf of the Kerry campaign, this is a violation of that same public interest.

As a citizen and taxpayer, I strongly object to this egregious abuse of concentrated media power. Please act to prevent it.
